

Are you naturally inclined to assist others, particularly the elderly? Do you find satisfaction in solving complex problems? Are you passionate about devising inventive strategies to achieve specific outcomes? Are you seeking a collaborative and supportive work environment for your legal career, free from excessive oversight? Are you looking to join a unique team of elder care advocates that support families and their loved ones beyond the legal and financial challenges of aging?

For over twenty-five years, Rothkoff Law Group has supported clients and families in New Jersey and Pennsylvania through the multifaceted challenges of aging. Our team comprises carefully chosen elder care attorneys, care coordinators, benefits specialists, and support staff, deeply committed to serving the elderly. We prioritize providing peace of mind for our clients as they plan for the future. At Rothkoff Law Group, we firmly believe that personalized attention and exceptional customer service can transform the daunting task of planning into an empowering experience.

We are seeking a dynamic, full-time associate attorney who is passionate about serving clients. The qualified candidate will have 1 to 2 years of elder law or estate planning experience and is willing to advocate for our clients in the areas of estate planning, guardianship, and estate administration.
